

Why Want to be your Last Realtor!

We helped this seller get sold after others tried!

I want you to know that we appreciate your efforts for us. You have done more in 3 months that our last broker did in a year. No matter what happens, I still think you both are two of the most terrific real estate brokers I have ever encountered. You are true professionals in every sense of the word.

Joan, Bayonne, New Jersey

The buyer purchased their home over the phone!

Robbie and Jane brought creative internet marketing, a selling strategy and positive approach to the marketing of our home that had been on the market earlier without success". The Brinks continued "Robbie and Jane custom designed a presentation and a plan that we stuck to and we sold our home in 30 days (June) this year... for more than what others thought we could! In fact, the offer came before the buyer actually saw the property in person.

Third Realtors and we got it sold!

Robbie Bunting and Jane Hyers were recommended to us by our local Realtor in North Carolina. She found Robbie and Jane through her association with "Leading Real Estate Companies of the World". She helped us arrange a teleconference with Robbie and Jane and after we interviewed 3 realtors we picked you all because we liked Robbie's directness about the market, his optimism and his confidence.

Joe and Sandy Quinn, NC

We designed a strategy to get this property sold

Before working with Robbie and Jane I had lost hope that we were going to be able to sell in a down market. They kept us abreast of home values and made recommendations based upon their research. We were relieved when Robbie and Jane told us they had a buyer. They are great Realtors!

Sal, New Jersey

A buyer, seller and friend forever!

We have worked with Robbie for 17 years. He was our agent in the purchase of 4 properties. We consider him not only our personal Hilton Head Island Agent, but also a good friend! They always answer their phone and return calls immediately! We would highly recommend them (and we have!)

Rob & Judy, Knoxville, Tennessee

We helped this seller after others tried!

Thanks for your note and your efforts in getting the house sold. End of an era for us. Have a great holiday and New Year if I don't talk to you and thanks again.
